

Thinking of getting a holiday gift for a teacher, coach, or administrator
A Pleasantville Fund for Learning Gift Card is the perfect choice.

Here's how it works:

Simply make a donation in any amount to the Pleasantville Fund for Learning in the name of the person you want to thank. In return, the Pleasantville Fund for Learning will send the honoree a special card in the mail with a personalized message acknowledging that a donation has been made in their name to the Fund for Learning. It's a chance to support innovative education programs and thank that special person at the same time.

Just fill out the order form below and send it, along with a check made payable to the Pleasantville Fund for Learning at 60 Romer Ave., Pleasantville, NY 10570.
